We are redeveloping our busy church building so that even more people will be able to use it. Our redeveloped church is:-

- ✓ for **families** - a midweek play and stay toddler group
- ✓ for **people on the fringes of our community** -  
*Six Ways Place of Welcome* - midweek sessions where all people, especially from newer communities in Erdington, can come to a safe and friendly place for coffee, conversation and support.
- ✓ for **people with mental health issues** -  
*Six Ways Friday Club* (in partnership with MIND) - a group for adults with mental health issues.
- ✓ for **all the community** - providing bigger, better quality and much more functional room space for local grassroots, voluntary sector and statutory groups.

In order to do these things and more besides, we need to raise somewhere in the region of £200,000. Can you help us?

A Welcoming Place

A Friendly Face

Erdington  
Six Ways  
Baptist Church  
REDEVELOPMENT

PROJECT

"I believe that this redevelopment will provide Erdington Town Centre and the people of Erdington with much needed accessible meeting space.

It will make a real difference to local groups and help the needs of people within our community.

I am thrilled to see the church at Six Ways being so involved in the wider community."

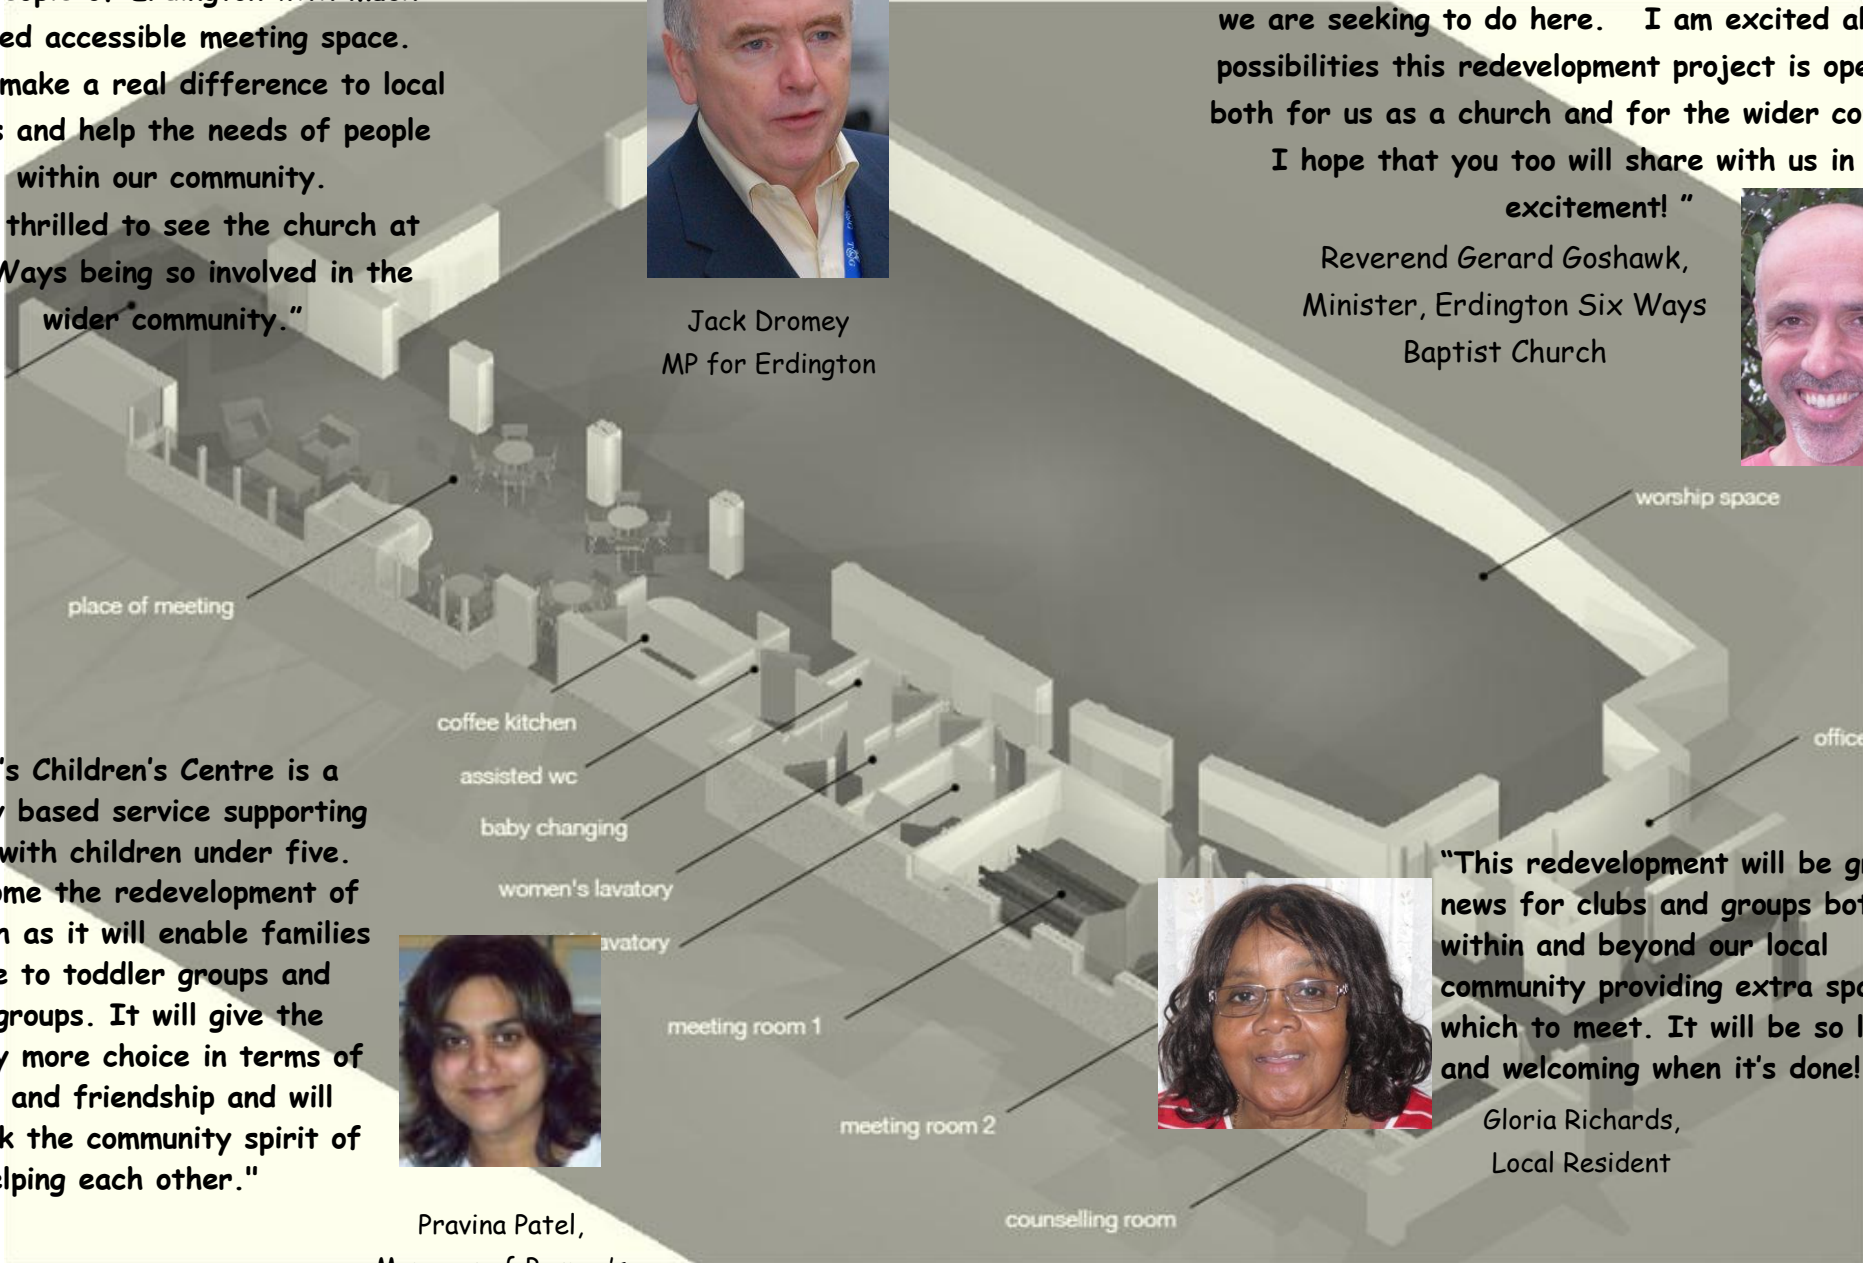

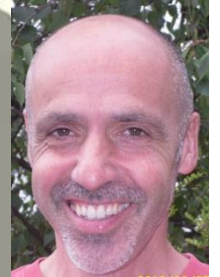

Jack Dromey  
MP for Erdington

"Our church is very much at the heart of Erdington. I therefore believe it is vital that we respond as best we can to the needs of our community. This is what we are seeking to do here. I am excited about the possibilities this redevelopment project is opening up, both for us as a church and for the wider community.

I hope that you too will share with us in that excitement! "

Reverend Gerard Goshawk,  
Minister, Erdington Six Ways  
Baptist Church

"Barney's Children's Centre is a community based service supporting families with children under five. We welcome the redevelopment of the church as it will enable families to come to toddler groups and other groups. It will give the community more choice in terms of support and friendship and will bring back the community spirit of helping each other."

Pravina Patel,  
Manager of Barney's  
Children's Centre

"This redevelopment will be great news for clubs and groups both within and beyond our local community providing extra space in which to meet. It will be so lovely and welcoming when it's done!

Gloria Richards,  
Local Resident
